| Brief Description of Project or Activity   |  |  |
|  |  |  |
| Benefits   |  |  |
| Please describe how the project will aid in the four goals of Pinasuaqtavut, namely: healthy communities, simplicity and unity, self-reliance and continuous learning. |  |  |
|  |  |  |
| Outcomes and Indicators  |  |  |
| Identify the measurable outcomes your project will generate if successful for funding. Briefly explain how it relates to previously completed work if applicable.      |  |  |
|  |  |  |

| Project Costs        |          |          |            | Proposed Financing                |          |          |            |
|----------------------|----------|----------|------------|-----------------------------------|----------|----------|------------|

| Other                |          |          |            | Other                             |          |          |            |
| Total                |          |          |            | Total                             |          |          |            |

| Financial Assistance  |              |          |
|---|--------------|----------|
| If you have applied for, or received, financial assistance for this project from other federal or territorial programs please list the agencies and provide details in the table below. |              |          |
| Agency and Program  | Contact Name | Response |
|   |              |          |
|   |              |          |
|   |              |          |
|   |              |          |

**Applicants Declaration To the Department of Economic Development & Transportation (ED&T):**

1. I confirm the information given in this application is, to the best of my knowledge and ability, complete, true and correct.
2. I certify that financial assistance from ED&T is a significant factor in the decision to proceed with this project.
3. I certify that neither the applicant nor its officers are involved with any litigation, or in any proceedings before any government board, agency or tribunal which have not been disclosed in writing as an attachment to this application.
4. I will provide all information required by ED&T to complete the assessment of this project and I authorize ED&T to make any inquiries of such persons, firms, corporations or other government agencies as it deems necessary in order to reach a decision on this application.
5. I will instruct existing lenders as indicated in this application to provide ED&T with full information concerning my (the applicant's) operating and financial position. I further authorize ED&T to discuss fully my affairs with the lenders.
6. I authorize ED&T to access, at any reasonable time, the site and premises of facility described in this application.
7. I agree to provide financial and audit results as required set out in the Contribution Agreement;
8. I agree that details of the SIP contribution may be made available to the public at the discretion of ED&T.
9. I understand and agree all reports, maps, studies, research findings and any other knowledge or intellectual property generated by this initiative will enter into the public domain for the purpose of supporting economic development in Nunavut.

**Information to be provided in support of your application**

A fully developed proposal is required to support your **signed** application form and should include the following information:

- A history and description of your organization, including its mandate and the services/products provided;
- Rationale/need for the project: Explain why the proposed project is needed and how the project will contribute to building the foundations of Nunavut's economy;
- Project Management: Outline the management structure of the proposed project and include résumés and relevant experience of the key personnel who will be involved in the project;
- Supporting documentation of project costs, e.g. cost quotations, labour quotes, fee proposals, etc.;
- Environmental - elaborate on any potential requirements.

**An assessment of your application and project will not commence until the proposal and all required documentation is received to the satisfaction of ED&T.**

| Office Use Only |        |                    |                      |
|-----------------|--------|--------------------|----------------------|
| Date Received   | Region | Type of Assistance | Requested Assistance |
|                 |        |                    |                      |
